Dear parents/ carers,

Year 5 pupils have been invited to MACS for a transition day on Wednesday 11th March.

The transition day will be science based and provides the children great opportunity to take part in some learning as well pupils becoming more familiar with the school and some staff.

The school will provide a packed lunch for all pupils; however, they are welcome to bring extra snacks and a drink for the day.

Pupils will be collected around 9:30, therefore they must arrive in school on time in case the bus comes early.

Pupils will return to school before the end of the day and will be dismissed as normal.

It is essential that all children wear school uniform to ensure they are easily identifiable as there will be other primary schools visiting on the same day.

Thank you,

Miss Thomas.
