Taster Sessions

We requested the sessions on your behalf to allow parents not only to taste the new menu with their children but also then have an opportunity to voice the likes/dislikes about the meals. Although I have already raised concerns of the high number of pupils not liking the menu and having to bring a packed lunch, we need to make sure parents give feedback on popular/unpopular choices and share their views with RCT catering service. It is RCT catering services that provide the menus to schools across RCT, it is not a choice of the school.

The new menu will be reviewed over the summer break and any changes needed to be made will be considered. So now is the time to voice our opinions. It is also important for as many parents as possible complete the public consultation and would encourage as many as possible to respond. Following the taster session there will be the opportunity for you to complete an online questionnaire that is sent directly to the catering service.

Thank You

Mrs Powell and Mrs Locke
