Dear Parent/Guardian,

Since returning to school, we have had too many incidents of poor behaviour, bad language and pupils being unkind to one another on the yard and the communal areas.

We are going to have a 'zero tolerance' of physical and verbal disrespect, these incidents are impacting both the wellbeing of other pupils and members of staff. Pupils that are unable to treat each other and the adults within the school community with kindness and respect, will be given 'time out', away from the yard and play areas. We have spoken to all of the children and shared our expectations with them.

We have recently updated our behaviour policy, here is the link should you need to familiarise yourself with the school rules.

We hope that with your continued support our school will continue to be a safe, happy and nurturing environment, where all pupils are able to learn and flourish.

Thank You

Mrs Powell and Mrs Locke
