

Glenboi Community Primary School

At Glenboi Primary School, we strive to be a 'nurturing school' as we believe it is important to ensure our pupils are in a nurturing environment that supports them to learn. Nurture helps us to develop our social and emotional skills to support our development as well as to develop our resilience. To do this we aim to ensure we promote and embed Nurture UK's "Six Principles of Nurture" across the whole school environment. This leaflet details all of "The Six Principles of Nurture".

"The Six Principles of Nurture"

1. Children's learning is understood developmentally - "We all learn in different ways"
2. The classroom offers a safe base - "The classroom is a safe place"
3. The importance of nurture for the development of wellbeing - "Nurture helps us feel good in our mind and body"
4. Language is a vital means of communication - "The way we speak and the words we use are important"
5. All behaviour is communication - "How we behave tells you how we feel"
6. The importance of transition in children's lives - "Everyone faces change and Nurture can help"
